

Are owners of manufactured homes important to your business? Then put our research to work for you!

When you order state reports, you'll get information about owners of manufactured homes in the states where you do business. You'll find answers to all kinds of questions about your market.

Demographics

How old are manufactured home residents in your state? What's their education level? What is their household income and total net worth?

Computers and Technology

What percentage of mobile home residents own a personal computer? What percentage own cell phones? What do they do on the Internet? Do they subscribe to a satellite service or cable TV?

Trends and Characteristics

When someone asks what kind of residence it is, what do respondents say? How many total years have they owned any manufactured home? How is their home currently used?

Manufactured Homes

What is the model year of the home? Is it multi-sectional? Where is the home located? What features or equipment are on or in the home?

Purchase and Financing

What year was the home purchased or acquired? What was the purchase source? Was the home financed at the time of purchase? What is the market value?

If you would like to order a state report for \$250, fill out the order form below and send it with a check payable to Foremost Insurance Company. Send your order to:

**Lila Krueger - l.c. 1445
Foremost Insurance Group
PO Box 2450
Grand Rapids, MI 49501**
